

The California State Legislature passed AB 987 (2007) requiring California redevelopment agencies to maintain a database of affordable housing units assisted with moneys from the Redevelopmen Agency's Low and Moderate Income Housing Fund. The Fountain Valley Housing Authority is the Successor Agency to the housing functions and assets of the Fountain Valley Agency for Community Development. This is not a list of affordable units. Please do not contact the owners or tenants of these units. Last update August 2025
