Business Services Program

Over 55,000 people call Fountain Valley "A Nice Place to Live" and over 5,000 service, retail, and industrial businesses call the City "A Nice Place to do Business". In partnership with the Fountain Valley Chamber of Commerce and the Agency for Community Development, we value a strong and varied business community.

The mission of the City of Fountain Valley Business Services is to foster a positive pro-business environment. The City recognizes that a strong business retention and attraction program starts with business friendly principles. Furthermore, your success is central to the health and welfare of our community. With this philosophy in mind the City has made it a priority to both develop its free library of Business Resources and to institute Business Assistance Programs.

These resources and assistance programs aim to help your business realize its highest potential or just help you through tough times. To take advantage of any of the services, please call us at 714-593-4412 or email business.services@fountainvalley.org.
