SECTION 6 – COMPENSATION PLAN. The schedule of base salary rates for non-represented employees shall be attached labeled as Exhibit 2.

MATCHING DEFERRED COMPENSATION CONTRIBUTION.

The City will match up to a \$75 per month matching contribution into each employee's deferred compensation account for each non-represented employee who contributes into the City's deferred compensation plan. For example, an employee contribution of \$25 per month will receive a matching City contribution of \$25 per month. An employee contribution of \$100 per month will receive a city contribution of \$75 per month.

PAY FOR PERFORMANCE PLAN.

- A. Five (5) step salary ranges for each position shall be established at 5% between each step. Placement within the range would be based on current salary plus existing adjustments.

- B. At the time of employment, the employee shall have a salary anniversary date established. The date shall be the first day of the pay period which is one year from the employee's date of employment.
- C. Upon promotion into a classification different than the one an employee is occupying, a new salary anniversary date shall be established, which shall be twelve (12) months from the effective date of the promotion.
- D. Employees shall be eligible for subsequent merit (step) increases annually on the first day of the pay period their anniversary date falls within until they reach the fifth step.
- E. At least one month prior to their salary anniversary date, the employee shall submit a memo to their Supervisor and/or Department Director detailing their accomplishments during the rating period. The Supervisor and/or Department Director shall then complete a Management Performance Evaluation and provide it to the City Manager for review and approval or adjustment.
- F. Merit (step) increases will be based on the employee's Management Performance Evaluation. The employee must receive an overall performance evaluation rating of "Meets Expectations" or "Exceeds Expectations" to be eligible for a merit (step) increase to the next step within the salary range. An overall performance evaluation rating of "Below Improvement" will not result in a merit (step) increase.

SALARY ON PROMOTION. When a non-represented employee is promoted from employment in one classification to employment in a classification allocated to a higher salary range, the non-represented employee shall be moved to a step within the higher salary range which will provide not less than a 5% increase in monthly/annual compensation, unless the top step of the new range is less than a 5% increase, then top step will be provided.

COMPENSATION FOR ACTING/PROVISIONAL APPOINTMENTS. Subject to the following terms and conditions, a non-represented employee who is required on the basis of a provisional appointment to serve in a classification with a higher salary range than that of the classification in which they is normally assigned, shall be moved to a step within the higher salary range which will provide not less than a 5% increase in monthly/annual compensation provided, however, that:

- A. The written approval of the City Manager shall be required.

- B. The non-represented employee shall perform all the duties and assume all the responsibilities of the higher classification for a period not less than thirty (30) calendar days to be eligible for the higher compensation.

- C. Compensation for acting/provisional appointments shall be limited to the temporary filling of a vacant, regular position due to termination, promotion, or extended sick leave of the incumbent, or the temporary filling of newly-budgeted positions, not to exceed six (6) months.

SALARY ON DEMOTION. A regular, non-probationary, non-represented employee who is demoted, whether voluntarily or involuntarily, shall be reassigned to the salary range to which their new classification is assigned. If the maximum monthly salary of the new classification is less than the non-represented employee's monthly compensation, their salary shall be reduced to the nearest lower step in the new classification to their previous salary. Such non-represented employee shall not be required to serve a probation period in the lower position. The effective date of the demotion shall become the new salary anniversary date and they may be eligible for annual merit increases thereafter.

This provision expressly excludes the City Clerk Administrator who is an at-will employee with no vested rights in accordance with Section 3 of this Resolution.

FAIR LABOR STANDARDS ACT EXEMPTION. Pursuant to Section 13(a)(1) of the Fair Labor Standards Act, the City hereby determines that non-represented employees are exempt from both the minimum wage and overtime provisions of the Fair Labor Standards Act.

SECTION 7 - RETIREMENT. Non-represented employees shall be enrolled as members in the California Public Employees' Retirement System (CalPERS) and are subject to all applicable provisions of the City's contract with CalPERS for miscellaneous employees.

employee's desire that said sums be deducted on a pre-tax basis as deferred income for federal and state tax purposes. The parties believe the contribution may be deducted on a pre-tax basis because the City has filed the CalPERS IRS Code Section 414(h)(2) resolution. However, any income tax obligations or penalties arising from such tax treatment shall be the exclusive responsibility of the non-represented employee. The parties believe the contribution may be deducted on a pre-tax because the City has filed the CalPERS IRS Code Section 414(h)(2) resolution. However, any income tax obligations or penalties arising from such tax treatment shall be the exclusive responsibility of the employee. The City shall not be responsible for any adverse tax treatment for the employees. The City has made no representation regarding such tax treatment and employees shall seek such advice from their personal tax advisors regarding such matters.

Any change to the New Member and New Employee contribution rate will become effective the first payroll period closest to July 1 of the appropriate year.

Upon receipt of the annual actuarial valuation from CalPERS for the 2% at 62 plan, the Personnel Department will forward a copy to the Association specifying the New Member and New Employee contribution rate for the upcoming period. SECTION 8 - HEALTH AND OTHER INSURANCE

GROUP MEDICAL AND DENTAL INSURANCE FOR EMPLOYEES HIRED AUGUST

15, 2010 AND EARLIER. The City contracts with the California Public Employees' Retirement System's Public Employees' Medical and Hospital Care Act (PEMHCA) for medical insurance for City employees. The payment of premiums towards group medical/dental/life insurance will be through the administration of a cafeteria plan.

The City shall pay the CalPERS statutory minimum employer contribution specified in Section 22892 of the Public Employees' Medical and Hospital Care Act. In addition to the CalPERS statutory minimum employer contribution, the City shall make contributions to a flexible benefits plan as noted herein.

EMPLOYEES DEFINED.

- A. Tier 1 employees are defined as those individuals employed in a full-time position with the City of Fountain Valley beginning August 15, 2009 and earlier.
- B. Tier 2 employees are defined as those individuals employed in a full-time position with the City of Fountain Valley beginning August 16, 2009 through August 15, 2010.

TIER 1 AND 2 EMPLOYEES CITY CONTRIBUTION. The City contribution for Tier 1 and 2 employees is as follows:

Flex Dollar Allowance	Flex Dollars	Longevity Health Stipend	Total Flex Allowance
Electing Employee Only coverage	\$525.00	\$1,042.94	\$1,567.94
Electing Employee +1 Dependent coverage	\$1,025.00	\$542.94	\$1,567.94
Electing Employee + Family coverage	\$1,300.00	\$267.94	\$1,567.94

The amount identified as flex dollars is inclusive of the CalPERS statutory minimum required by PEMHCA under Government Code § 22892.

Non-represented employees who elect not to be covered under the medical plan provided through the cafeteria plan shall receive the equivalent of the CalPERS statutory minimum as cash wages. However, the employee will be required to pay for dental and life insurance premiums, both of which are mandatorily deducted out of the waiver of premium contribution (CalPERS statutory minimum).

SEPARATION THEN RETURN TO CITY SERVICE. If an employee separates employment and later returns to employment with the City of Fountain Valley, the date the employee returned to employment will become the employee's new hire date and the employee will be considered a Tier 3 employee and only eligible for Tier 3 benefits.

GROUP MEDICAL AND DENTAL INSURANCE FOR EMPLOYEES HIRED AUGUST 16, 2010 AND LATER.

Tier 3 employees (new hires) are defined as those individuals employed in a full-time position with the City of Fountain Valley beginning August 16, 2010 and later.

Tier 3 City Contribution. Beginning the pay period to include July 1, 2024, the City contribution for Tier 3 employees is as follows:

Flex Dollar Allowance	Flex Dollars
Electing Employee Only coverage	\$825.00
Electing Employee +1 Dependent coverage	\$1,325.00
Electing Employee + Family coverage	\$1,600.00

Tier 3 employees do not qualify for the longevity health stipend.

CAFETERIA PLAN. The provisions of the Cafeteria Plan are described below.

BENEFITS PROVIDED THROUGH THE CAFETERIA PLAN. Effective January 1, 2011, the insurance benefits provided for in this article will be provided through the provision of a cafeteria

plan adopted in accordance with the provisions of Internal Revenue Code §125: medical and dental.

Each month the City will contribute to the cafeteria plan flex dollars for Tier 1, Tier 2 and Tier 3 employees as specified. In addition, the City will contribute a longevity health stipend for Tier 1 and 2 employees as specified. The City's flex dollar contribution includes the CalPERS statutory minimum paid by the City.

Prior to January 1, 2011, dependent dental premiums were fully employee paid. However, due to the provisions of the cafeteria plan, dependent dental premiums are to be deducted from the flex dollars for employees. Upon retirement, retirees are not covered by a cafeteria plan; therefore, dependent dental premiums will be fully retiree paid if coverage is elected. Nothing in these provisions require City contributions towards dependent dental premiums.

THE PURCHASE OF OPTIONAL BENEFITS THROUGH THE CAFETERIA PLAN. The cafeteria plan offers non-represented employees the opportunity to purchase AFLAC and vision insurance. Eligible employees may select from any of the medical insurance plans offered by CalPERS. If CalPERS changes any of the medical insurance plans by either adding or deleting the plan options, employees will be limited to those plan options offered by CalPERS.

Non-represented employees may also elect any of the optional AFLAC insurance options the City offers to employees at the employee's sole cost.

Non-represented employees may designate flex dollars, available after deductions for premiums for elected benefit options, towards the employee's deferred compensation plan.

Dental and life insurance are not optional benefits and such premiums will be deducted from each employee's cafeteria plan flex dollars or waiver of premium contribution.

EMPLOYEE CONTRIBUTIONS FOR BENEFIT OPTIONS. If a non-represented employee chooses optional benefits whose aggregate cost exceeds the total flex dollar City contribution to the cafeteria plan, the City will automatically deduct the excess amount on a pre-tax basis, if applicable, from the employee's bi-weekly pay.

THE RECEIPT OF CASH THROUGH THE CAFETERIA PLAN. Non-represented employees will be eligible to receive cash (subject to taxation as wages) through the cafeteria plan if they either opt out of receiving medical insurance or if they choose optional benefits that do not cost as much as the flex dollars provided by the City towards the cafeteria plan. Any such employee shall be eligible to receive in cash the difference between the City's monthly cafeteria plan flex dollar contribution and the total of the premiums selected up to a maximum of \$350 per month. Non-represented employees who elect not to be covered under the medical plan provided through the cafeteria plan shall receive the equivalent of the CalPERS statutory minimum as cash wages. However, the employee will be required to pay for dental and life insurance premiums, both of which are mandatorily deducted out of the waiver of premium contribution (CalPERS statutory minimum).

In order to opt out of the City's medical coverage, employees will be required to maintain and provide proof of group health plan coverage through an alternative source and the alternative group health plan coverage must meet the Affordable Care Act's requirements regarding affordability and minimum value.

TERM LIFE INSURANCE. The amount of term life insurance for each non-represented employee shall be equivalent to the employee's annual salary, rounded upward to the nearest thousand dollar increment, with a maximum policy amount of \$50,000 per employee.

LONG-TERM DISABILITY. The City shall maintain and pay full premiums for a long-term disability insurance policy for all non-represented employees. The purpose of long-term disability insurance is to ensure that non-represented employees will have a source of income if they are disabled from performing their regular duties for a period longer than sixty (60) calendar days.

ELIGIBILITY. A non-represented employee's eligibility for long-term disability benefits depends on whether the non-represented employee's disability is industrial or non-industrial in nature. If the disability is industrially related, the non-represented employee's eligibility for long-term disability benefits begins on the sixty-first (61st) calendar day of continuous absence from work. If the employee's disability is not industrially related, the non-represented employee's eligibility begins either on the sixty-first (61st) calendar day of the non-represented employee's absence from work, or upon expiration of the non-represented employee's sick leave, whichever period is longer.

In addition, the eligible non-represented employee must meet the insurance carrier's definition of disability prior to eligibility to receive benefits.

BENEFITS. A non-represented employee who is eligible to receive long-term disability benefits will receive 66 2/3% of their basic monthly earnings or a maximum monthly benefit of \$5,000 as of the date the non-represented employee's disability began, less any deductible benefits, as provided for in the long-term disability policy.

A non-represented employee who is receiving long-term disability benefits is considered to be in an off-payroll status and will not accrue benefits during the time that they is in such status. In addition, employees who are in an off-payroll status while receiving long-term disability benefits are responsible for maintaining group medical insurance coverage and for paying the premiums therefore.

The City reserves the right to self-insure any or all long-term disability benefits, provided that there shall be no change to existing eligibility requirements or coverage.

FLEXIBLE SPENDING ACCOUNTS. The City shall provide a voluntary Flexible Spending Plan (Section 125 Plan under the Internal Revenue Code) to non-represented employees. Enrollment in the plan allows employees to pay for out-of-pocket Health Care and Dependent Care costs with pre-tax dollars. Flexible Spending Account limits will be followed by the City as set each year by the Internal Revenue Service (IRS).

At enrollment and annually thereafter, participants must designate the Flexible Spending Account election amount for the remainder of the year for new hires and for the next year for current employees. The annual amount is deducted from the employee's paycheck in equal installments, on a pre-tax basis, and credited to the employee's Flexible Spending Account. Reimbursement will be paid directly by a third party administrator.

Federal law prohibits any change in a Flexible Spending Account during the calendar year unless the employee or their dependent(s) have a qualifying "life event." A qualifying "life event" is marriage, divorce or legal separation, birth or adoption of a dependent, death of a dependent, or a change in the employee or employee's spouse's employment status. The change in the Flexible Spending Account must be due to and consistent with the "life event" which permits the change.

An annual open enrollment period will be provided for the upcoming year's program. Non-represented employees must affirmatively enroll in the Flexible Spending Account for each year. There is no automatic renewal.

When estimating annual expenses, non-represented employees are cautioned to only consider those expenses they are reasonably certain they will incur. Any amount left in a non-represented employee's Flexible Spending Account at the end of the year is forfeited.

Deductions for Flexible Spending Accounts shall not reduce earnable compensation for purposes of calculating benefits or contributions for the California Public Employees' Retirement System.

The City maintains the right to select and change, if needed, the vendor to administer the Flexible Spending Account program.

VOLUNTARY VISION PROGRAM. Effective January 2, 2016, the City will offer a voluntary vision care plan as one of the health programs offered under the City's cafeteria plan.

The City reserves the right to change vision insurance providers if necessary and if so, will provide similar benefits with the new provider. Effective with the payroll period ending January 13, 2017, the City will pay the employee only premium for the voluntary vision program. If the employee chooses to add dependents to the plan, dependent premiums shall be paid by the employee.

SECTION 9 - MEDICAL AND DENTAL INSURANCE FOR RETIREES. The City shall provide group medical/dental insurance to non-represented employees who retire from the City meeting the criteria and subject to the conditions and limitations noted below. The City contracts with the California Public Employees' Retirement System's Public Employee's Medical and Hospital Care Act (PEMHCA) for medical insurance for City employees and retirees. Benefits are grouped in tiers based upon hire date and years of continuous City service.
