to benefit Pediatric Cancer Research

About Hyundai Hope On Wheels

Every handprint tells a story

Hyundai Hope On Wheels is a 501 (c)(3) non-profit organization which has been supporting pediatric cancer research since 1998. September is National Childhood Cancer Awareness Month. It is a time when the pediatric cancer community comes together to support all children and families impacted by this disease. The gold ribbon is worn to show support for this important cause. For our 20th year anniversary, we will host our annual Hyundai Hope On Wheels 5k/10k family run-walk event on Sunday, September 30th, 2018 at the Fountain Valley Sports Park.

We will host our signature "Handprint Ceremony" in recognition of children fighting pediatric cancer. Hyundai hope on wheels visits children's hospitals to award grants and raise awareness. Each ceremony captures each child's handprint in paint. These handprints are placed on Hyundai vehicles that travel across the country to build awareness of the program. These three handprints represent courage, hope and determination.

To register for this family friendly event, visit our website: Hyundaihopeonwheels.org/run-for-hope

Sponsorship Opportunities

Become a sponsor of Hyundai Hope on Wheels. You can show your organization's support to this important cause. See the back of this page for more information or email us at: info@hopeonwheels.org

You may also send the form along with a check based on the sponsorship level you wish to us at:

Hyundai Hope On Wheels
10550 Talbert Ave
Fountain Valley, CA 92708

Why Should I Get Involved?

Make an Impact!

Every 36 minutes a child is diagnosed with pediatric cancer in the U.S. Sadly, 1 in 5 children diagnosed with the disease will not survive. Hence, pediatric cancer remains the leading disease related cause of death for children in the U.S. While much progress has been made overall in the field, for too many types of pediatric cancers little progress has been made in survival rates and understanding of the disease. If even one more child has to suffer from pediatric cancer, it is one too many.

By being a sponsor to Hyundai Hope On Wheels, your tax deductible donation allows your organization to add its handprints to the over 15,000 families whose children are diagnosed with pediatric cancer each year. Proceeds raised for the event will go directly to pediatric cancer research. Business leaders, community leaders, elected officials and press will attend this event. Join the fight and show children with pediatric cancer that they are not alone.

How Can I Get Involved?

Join the fight!

In addition to sponsorship opportunities you can also register to run. You can also create your own race team to provide exposure and team building for your organization while also fundraising for this terrible disease.
