Delay in Trash Collection

Republic Services has notified the city that trash and recycling service has resumed. Service was temporarily delayed due to an unanticipated work stoppage on Tuesday. They are experiencing significant delays in collection service. Commercial customers will be on a one day delay the remainder of this week. Residents are asked to leave containers out and available for collection, and they will be serviced as soon as possible. Waste removal is a vital part of keeping our communities clean and safe. Thank you for your patience during this time.

Street sweeping schedules will not be affected.
